

WINMAN BL-1 Braket Sensör Ekipmanları / WINMAN BL-1 Bracket Sensor Mounting Equipment
Özellikler / Specification

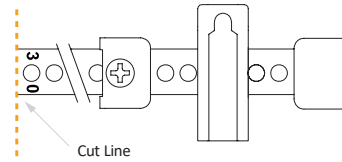

Bore Size	Barrel Material	O.D. (mm)	Recommended mounting hole
Ø10	Stainless	11	10
Ø12	Stainless	13.2	11
Ø16	Stainless	17	14
Ø20	Stainless	21.6	16
Ø25	Stainless	26.5	20
Ø30	Aluminum	35	26
Ø32	Stainless	33.6	24
Ø40	Stainless	42	30
Ø50	Aluminum	55	40
Ø63	Aluminum	70	50

Kurulum Adımları/ Installation Steps
1. Adım

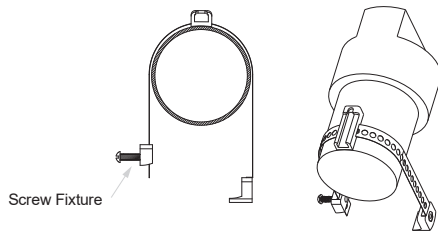

Silindir tablosuna bakınız, 30'uncunun yanına işaretleme yapınız.
Refer to the cylinder chart, make marking next to the 30th hole. (On the 31st hole, see below)

2. Adım

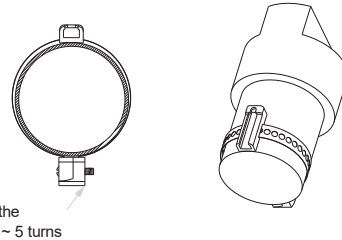

Cut off excessive mounting band.

3. Adım

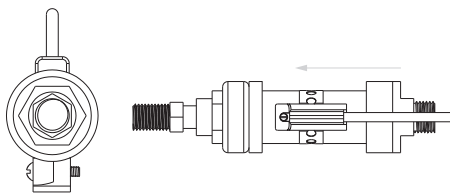

Vidayı vida tertibatının içinden ve uygun şekilde takın
Insert screw through screw fixture and the appropriate

4. Adım

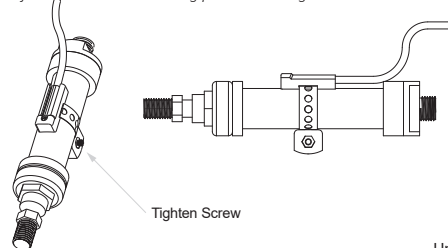

Montaj bandını silindir kovanının etrafına sarın ve vidayı 3 ~ 5 tur sıkın.
Wrap the mounting band around the cylinder barrel and tighten the screw 3 ~ 5 turns.

5. Adım

Sensörü BL-1 serisi braketle monte edin ve sıkın.
Mount the sensor in the BL-1 series bracket and tighten.

6. Adım

Sensörü algılama konumuna ayarlayın ve sıkın.
Adjust sensor to the sensing position and tighten.
