## GENERAL CATALOG

# Hidtek®

Hidtek 1987 yılında ülkemizin önemli endüstri şehirlerinden olan Bursa'da faaliyetine başladı.

Başlangıçta hidrolik, pnömatik malzeme satışı ve taahhüt işleri yapan firmamız, ilerleyen zamanda hızla gelişerek ithalat ve ihracat ile birlikte otomasyon ekipmanları ve pnömatik silindir imalatını da faaliyet alanlarına dahil etti.

Markalaşma, pazarlama ve satış ağını geliştirme konularına da önem vererek WINMAN ve FREEWAY markalarını oluşturdu.

Buna paralel olarak, yurtdışında ve yurtdışında her geçen gün satış ağını genişlemeye devam etti.

Üretim konusunda kurduğu Ar-ge merkezi ile geleceğe ve sürekli gelişen teknolojiye bugüne kadar olduğu gibi bundan sonra da ayak uydurmak kararlılığını sürdürmektedir.

Üretim ve satış yapılan malzemelerin genel kullanım alanları şunlardır:

- Otomotiv sanayi
- Makina sanayi
- Ambalaj makinaları
- PVC İşleme makinaları
- Kaldırma makinaları (asansör, lift)
- Sac işleme makinaları
- Hidrolik presler
- İş makinaları
- Tarım makinaları
- Özel amaçlı makina ve aparatlar

Firmamız, katalogta yayınlanan resim, ölçü ve diğer değerleri değiştirme hakkına sahiptir.

Hidtek started its operations in 1987 in Bursa which is one of the most important industrial cities of our country.

At the beginning, our company was engaged in hydraulic, pneumatic material sales and contract works. Later on, it has been developed rapidly, so included production of automation equipment and pneumatic cylinders right along with import and export.

WINMAN and FREEWAY brands are created besides attaching importance to branding, marketing and developing sales network. Concordantly, Hidtek has extended its domestic and foreign sales network day by day.

Hidtek is determined to keep up with the future and ever-growing technology as it always has been by means of the R&D center established on production.

General usage areas of the production and sales materials are:

- Automotive industry
- Machine industry
- Packaging machines
- PVC profile processing machines
- Hoisting machinery (elevator, lift)
- Sheet metal working machines
- Hydraulic presses
- Heavy construction equipment
- Agricultural machines
- Custom-made machines and equipment

Our company reserves the right to modify photos, measurements and other values that were published in the catalog.
